# Who We Are

---

At Arimus, our USP remains the privilege of personal attention. Our philosophy is simple: Know the Client. We believe that effectively understanding our client enables us to best serve their interests. Headquartered in New Delhi, over the years Arimus has developed a reputation of a trusted boutique full-service law firm, comprising counsels with decades of cumulative experience. We specialize in Civil, Criminal as well as Corporate, and Commercial laws and deliver focused legal services in our domain of expertise.

Our counsels are adept at effectively navigating through vaguely defined and an ever-evolving framework of law and legislations in order to find solutions to complex issues. A unified team enables us to utilize our resources efficiently and deliver result-oriented legal services within well-defined timelines.

While Arimus is based in New Delhi, we provide Advisory services and Legal representation to clients across India, appearing in all forums throughout the country either directly or through our associated counsels.

## Inception

---

Arimus was incorporated in the year 2012 with a desire to create a premier boutique law firm. The Founding Partners, with an aim of combining their legal expertise established the firm with a vision to provide distinguished legal services to its clients. Today the firm is driven by the same vision and comprises of four partners and a dedicated team of skilful counsels with varied expertise in different practice areas including Litigation, Advisory, and Regulatory.

# Our practice areas

Arimus provides legal services in the Litigation, Advisory and Regulatory sectors broadly in the following areas:

## CORPORATE LAW

Corporate Law governs the establishment and operations of Corporations. We provide legal services in relation to shareholder's rights, joint ventures, mergers, acquisitions, licensing, business formations, venture capital financing, securities law, and other business-related laws.

## COMMERCIAL LAW

Commercial Law is an umbrella term for all laws related to Trade and Commerce. We provide legal services in relation to contracts, the sale and purchase of goods and services, banking, insurance, finance, partnership, bankruptcy and taxation.

## CRIMINAL LAW

We provide legal advisory for criminal liability mitigation as well as representation in defending criminal prosecutions at both trial and appellate stages. Arimus has vast expertise in prosecutions involving the Indian Penal Code including offences against the state, offences affecting the human

body and offences against property as well as specialized statutes in relation to Prevention of Corruption, Money Laundering & Financial crimes, Serious Frauds and other white and blue collar crimes.

---

## **INTELLECTUAL PROPERTY**

Intellectual Property laws govern the rights of a creator of any intangible property which results from intellectual activity and includes literary, artistic and musical works; inventions; designs; symbols and names. We provide legal services in relation to Copyrights, Trademarks, Patents, Industrial Designs and Geographical Indications. Arimus is adept at handling Intellectual Property disputes relating to contentious matters including IP Infringement & Enforcement actions, Anti-piracy & Counterfeiting actions as well as non-contentious matters such as IP prosecution and licensing.

---

## **REAL ESTATE**

Real Estate laws comprise of laws relating to the sale, purchase, lease and acquisition of properties. We provide legal services relating to property sale & purchase transactions, structuring and closure of transactions, due diligences, property dispute resolutions as well as drafting and negotiating of all ancillary agreements including property transactional documents such as conveyance & lease deeds, financing documents etc.

---

## **COMPETITION LAW**

Competition laws regulate, promote and maintain free market competition by restricting anti-competitive conduct by entities. We provide legal advisory services on various aspects pertaining to commercial transactions, joint ventures, acquisitions and collaborations as well as representation in regulatory matters before the Competition Commission of India.

---

## **FAMILY LAW**

Family Law is a set of laws that govern and regulate the rights and liabilities in relation to familial and domestic relationships, child rights, and ancillary economic matters. We provide legal services in relation to matrimonial disputes, family disputes, maintenance and custody of children, domestic violence, dowry prohibition and cruelty to women, succession and partition of properties etc.

---

## **EDUCATION LAW**

Education Law comprises of laws governing the operation of Educational Institutions. We provide legal services in relation to the establishment, operation and management of educational institutions within the regulatory framework. We also provide dispute resolution services in relation to the rights and liabilities of Institutions as well as beneficiaries.

---

## **SERVICE & EMPLOYMENT LAW**

Service & Employment laws regulate the rights and liabilities of employees of the government and private entities. We provide legal services in relation to the employment, rights, benefits and termination of employees vis-a-vis employers.

---

## **MEDIA & ENTERTAINMENT**

We provide legal services in relation to issues relating to Regulatory Compliances, Media Production, Publications, Broadcasting Rights, Content Dissemination and Defamation.

---

## **MEDICAL NEGLIGENCE**

We represent medical practitioners, hospitals/ clinical establishments in cases related to Medical Negligence before Consumer Forums, Criminal Courts as well Medical Councils/ other Regulatory Bodies.
